Distributing Jewel of India online

Based in New South Wales, Australia, Jewel of India is the name behind quality and authentic Indian cuisine made in Australia according to traditional recipes. Jewel of India's range of hand-picked favourites from around the subcontinent include ready-to-eat curries (Heat & Serve), Curry Simmer Sauces, Cocktail and Finger Foods, Authentic Naan Breads and Accompaniments. Jewel of India presently provides up to 10,000 packaged meals every week to international flights of Cathay Pacific, Emirates Airlines and Qantas. Jewel of India also provides other authentic Indian products to major hotel chains from Crowne Plaza, Holiday Inn to Hilton Hotels as well as restaurants and catering businesses such as Alpha Flight Services in Australia nationwide.

The Electron® Commerce Solution

With the implementation of the Electron B2C and B2B solutions, Jewel of India provides user-friendly web-based system to businesses and consumers and expanded opportunities available through existing and new markets online 24/7. Jewel of India enhances the buying options for its existing customers and provides easier procurement process for its customers to track order status. This, thus, improves transaction visibility and customer satisfaction for its customers and inventory management for its business.
